

IRA Chicago

They're going to do it again! Last year Robert Pottle, Kenn Nesbitt, Eric Ode, Ted Scheu, and Bruce Lansky had the audience laughing and learning at their IRA symposium in San Antonio.

They are all going to be in Chicago this year with an all new presentation Using Humor to Hook Kids on Reading, Writing and Singing Poetry.

View a short movie of Robert at IRA. If you are going to be at this year's annual convention please stop by the Meadowbrook Press booth in the vendors area.

Also, Robert Pottle, Eric Ode, Ted Scheu, and Bruce Lansky will all be performing at the 10th Annual POETRY OLIO and Rock and Roll Party! Twelve great children's poets are scheduled to perform including John Archambault. And check out the room we'll be performing in. Click "Read more..." below for more detailed information.
