

## November 1st

November 1st A funny poem about the day after Halloween.

Dial China on the phone.

Steal your brother's ice cream cone,

use the microwave to boil it.

Flush the car keys down the toilet.

Prance and dance. Skip and dip.

Tango, fandango, disco, flip.

Eat bananas. Eat the peels.

Bark like twenty singing seals.

Sing out silly, loud and long.

Sing a hard rock opera song.

To terrorize your dads and moms,

eat eighty super-sugar-bombs!
